Welcome to Sweet Shop USA®…

where every gourmet chocolate is handcrafted by skilled artisans and considered a masterpiece… a delight for the eyes as well as the palate. We begin by simmering select natural ingredients in large copper kettles… fresh whipping cream, pure butter and the finest quality chocolate. Each decadent Grand Truffle center is hand-rolled and twice-dipped in chocolate, then “autographed” for that personal touch. Our signature Fudge Love®, Famous Brags® and traditional pieces receive the same attention to detail. The final creations are carefully inspected by hand before we present them to you, our valued customer. We hope you enjoy!
